Adopt-A-Road Clean-Up
Fall 2024

Fall Dates: The month of September is one of the two designated months for roadside cleanup on Emmet County Roads. Weather conditions certainly play a role in when roadside cleanup can be completed, therefore, flexibility is allowable outside the month of September as long as we are notified.

Supplies: Program participants may pick up Adopt-A-Road trash bags and safety vests during regular office hours at the ECRC office at 2265 E Hathaway Rd, Harbor Springs. Current office hours are listed on our website at www.emmetcrc.org. **Please note that Adopt-A-Road trash bags must be used during clean-ups for our crews to be able to pick up and drop off at the DPW transfer station.**

Safety: Please conduct a safety review with your group, wear safety vests and protective clothing and familiarize yourself with hazardous waste and what to do if found. Links to the safety video, meth lab trash info, and other safety information can be found online at www.emmetcrc.org/adopt-a-road.

Bag Pickup: Please place trash bags as close together as possible near a landmark or sign so that our crews can easily spot them. Notify our office by phone or email when clean-up has been completed.

Photos: If you have any photos of your group during clean-up or in front of your sign, please send them by email to cellis@emmetcrc.org.

Permits: If you do not plan to renew your permit, please let us know so that we can make your stretch of road available to another group and have your sign removed.

Thank you for your continued support and helping to keep our roadsides clean!
